## Welcome!

We are happy that you are considering UCF/HCA GME Consortium (Gainesville) Psychiatry Residency for your training. UCF/HCA GME Consortium (Gainesville) Psychiatry Program is dedicated to training Psychiatrists that will be able to provide quality healthcare to all patients.

The overall mission of the Psychiatry Residency Program is to impart the knowledge, skills, and attitudes needed to provide exceptional patient care to the citizens of Florida. The UCF/HCA GME Consortium offers residents an opportunity to learn under knowledgeable faculty who are dedicated to teaching excellence in clinical psychiatry, education, and research. The program aims to train competent and qualified individuals in the field of psychiatry to enable them to become ABPN board certified physicians capable of working in any patient setting.

Residents will train in a variety of patient settings to provide optimal training experiences. Resident rotations are divided into one month blocks to allow diversity in training sites and faculty members. There will be flexibility in the curriculum focus to allow the accommodation of each resident's individual learning needs in order to maximize achievement.

Please visit our official GME page for more information at: <https://northfloridagme.com/psychiatry/>

## About the program

# North Florida Regional Medical Center

North Florida Regional Healthcare is an organization centered around the community hospital in Gainesville, Florida — North Florida Regional Medical Center (NFRMC). NFRMC is a 432-bed, full-service medical and surgical acute care center serving North Central Florida and offering comprehensive cardiovascular care, oncology, orthopedics, neurosciences, minimally-invasive laparoscopic and robotic surgery, weight loss surgery and treatment, senior care, women's health and wound therapy, among other services. A proven leader, NFRMC is fully accredited, is certified as a Comprehensive Stroke Center and a Quality Top Performer by The Joint Commission, is an accredited Chest Pain Center, is designated as a Blue Distinction (tm) Center for Knee and Hip Replacement, Spine Surgery and Bariatric Surgery, and earned a position in Truven Health's Top 100 Hospitals in 2017. North Florida Regional Medical Center is a member of Hospital Corporation of America (HCA). Based in Nashville, Tennessee, HCA is the nation's leading provider of healthcare services, a company comprised of locally managed facilities that includes about 177 hospitals and 119 freestanding surgery centers in 20 states and Great Britain.

# About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with over 275,000 colleagues across more than 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The Graduate Medical Education (GME) programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

**To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).**

● HCA Healthcare Hospital

## Size

HCA Healthcare Graduate Medical Education is the largest sponsor of residency and fellowship programs across the nation.

**4,637**  
residents

**289**  
fellows

**218**  
specialty programs (residencies)

**79**  
sub-specialty programs  
(fellowships)

## Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of more than 32 million patient encounters each year.

**2,500+** HCA Healthcare GME scholarly activities in 2020-21.

## Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

**32+ million** patient encounters  
**7.4 million** emergency room visits  
**215,000+** babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience.

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

# A commitment to scholarly activity

Based on more than 32 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

Our experiential learning is rooted in evidence-based medicine that leads to innovative, **real-world patient health solutions**.

Merging the rigor of **ACGME** accreditation with high patient touch, our residents and fellows deliver evidence-based care that demonstrates our mission to care for and improve human life.

We offer **National Grand Rounds** that leverage accomplished clinical expertise from across HCA Healthcare, bringing the nation's leading medical experts to our residency and fellowship programs.

#### **Notable Publications**

- *JAMA Internal Medicine*
- *Annals of Surgical Oncology*
- *CHEST Journal*
- *American Journal of Respiratory & Critical Care Medicine*
- *Obstetrics & Gynecology*

#### **Notable Presentations**

- American College of Cardiology
- Society of Critical Care Medicine
- American College of Physicians
- Society of Hospital Medicine
- American College of Surgeons

## **Influential Collaboration**

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated researchers to guide them through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

**HCA Healthcare Scholarly Commons** is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. During 2020, readership of those works eclipsed the 25,000 mark. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients. In its first year of publication, the journal disseminated 86 articles in six issues as well as a seventh special issue on the COVID-19 pandemic.

# About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.
