HCA Florida Healthcare

## What's changing?

HCA Florida Healthcare now unites our more than 570 affiliated sites of care - including hospitals, physician practices and freestanding emergency rooms - under one name to create a connected and collaborative healthcare experience for patients. Across the state, families can count on HCA Florida Healthcare's expansive network for advanced, personalized care.

## When is this happening?

A limited number of HCA Florida Healthcare facilities adopted the new brand in November 2021. As of spring 2022, all hospitals, freestanding emergency rooms and physician practices in the HCA Florida Healthcare family are now public with their new names.
